## MANAGING YOUR DEGREE PROGRAM

---

Welcome to Blair! There are few things as exciting as studying, performing, and creating music. This handbook will guide you as you learn about degree requirements. You will also learn about the other side of Blair—where to grab a quick breakfast or lunch, how to reserve a practice room, when to study abroad, how to look for an internship, and much, much more.

The Vanderbilt/Blair curriculum is wonderfully vast and varied. Making appropriate course choices will ensure that you graduate on time for your particular major. It is the student's responsibility to understand and meet degree requirements. The first place to consult is the *Undergraduate Catalog* (online in YES), which contains official requirements for all degree programs and majors, including course requirements and academic policies. A number of other resources, including this handbook, can guide you in your course selection and degree pursuits. The online degree audits in YES indicate where you stand in the completion of your degree program. Semester grade reports and mid-semester deficiency reports also provide feedback about how well you are doing along the way.

Each Blair student has an academic adviser who is the “first point of contact” for questions about your degree program. Your studio or composition teacher also advises in matters related to your major area; they offer another perspective about how you can shape your eight semesters of study to reach your career goals. The Associate Dean and Head of Academic Advising provide academic advice and help in planning for extra opportunities such as study abroad, internships, and independent study. The Blair Office of Academic Services and the University Registrar's Office maintain your academic record and provide numerous forms and informational resources at [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics).

Over eight semesters, there may be times when you need extra help. If you're trying to do a second major or a minor, you'll need an adviser from that second program and you will want to consult with the Head of Academic Advising. The Associate Dean can provide assistance with extraordinary circumstances such as extended illness, an unusual scheduling problem, or an extra opportunity that might require a waiver or substitution in the curriculum. One of the advantages of our small size is that there's always someone to provide help and counsel.

As a music student, you will be managing a detail-oriented and time-intensive program, which is an excellent preparation for a life as a musician. You have many wonderful choices and opportunities ahead of you!

Mark Wait, Dean

Melissa Rose, Associate Dean of the Collegiate Program

Pamela Schneller, Associate Dean of the Precollege/Adult Program

## THE DEGREE PROGRAM

---

The Bachelor of Music (B.Mus.) is a professional music degree requiring 126 credit hours, **at least 80 of which must be in music**. All students take a core of music and of liberal arts courses, and each department has additional requirements which are outlined following this introduction. The *Undergraduate Catalog* is the legal binding document regarding requirements and policies for the Blair B.Mus. degree. Students must graduate either under the catalog for the year they enter the degree program or the catalog for the year that they graduate. Sample curriculum plans for each major are provided on the following pages. **Students may also track their degree progress in the online degree audits.**

### MUSIC CORE

Required are theory, musicianship, keyboard harmony, music literature/history, performance, ensemble, and conducting. Students must also register for recital attendance and attend 6 professional concerts per semester and all student recitals on Fridays at 12:10 p.m. Sample curriculum plans for each major follow this section. Note that courses in the music core must be taken at Blair. The **Music Core totals 42 hours** plus performance instruction.

#### Music Theory, Musicianship, Technology, and Keyboard Harmony 20 hours

MUTH 2100 / MUSC 2100	The Syntax of Music [2 credit hours] / Musicianship I [1]
MUTH 2200 / MUSC 2200	Harmonic Idioms of the Common Practice Period [3] / Musicianship II [1]
MUTH 2300 / MUSC 2300	Repertoire Analysis [3] / Musicianship III [1]
MUTH 2400 / MUSC 2400	Musical Expansion: The 20 <sup>th</sup> c. to the Present [3] / Musicianship IV [1]
MUSO 1340	Technology for Musicians [1]
MUKH 1131-1132, 1133-1134	Keyboard Harmony I-IV [4] (NOTE: See piano proficiency exam information).
or	
MUKH 2133-2134	Accelerated Keyboard Harmony I-II [4]

The AP theory exam does not give credit toward a B.Mus. degree. Students who place into higher levels of Keyboard Harmony may normally substitute any graded music elective to ensure that a total of 80 credits in music is completed. Transfer students should note that their place within the Theory and Keyboard Harmony sequences will be determined by departmental placement examination; those exams will also affect the number of credits awarded through the normal transfer credit process.

#### Music Literature/History 12 hours

- MUSL 2100 Music as Global Culture [3]
- MUSL 2200W Music in Western Culture [3]
- MUSL 3100 Music of the 20<sup>th</sup> and 21<sup>st</sup> Centuries [3]
- One course chosen from MUSL 3220-3240 (courses in the “canon”) [3]

The first course in the sequence, MUSL 2100, counts as humanities credit within the Liberal Arts core. Students should be aware that the second course in the sequence, MUSL 2200W, counts as part of their Liberal Arts writing credit and must be passed during the second semester of the freshman year. The courses should be taken in sequence, except that the fourth semester canon course may be taken during a later semester. All four core MUSL classes in the core must be completed at the Blair School. Students who earn an IB score of 6 or 7 for the higher music exam earn MUSL elective credit, but do not earn credit toward the MUSL core. (Students who took only the standard IB exam do not earn credit toward the B.Mus. degree.)

#### Conducting 2 hours

MCON 3000 Conducting (NOTE: prerequisites *MUSC 2200*, *MUKH 1134* or *2134*, and *MUTH 2400*)

#### Individual Performance Instruction

- **32 hours** required every semester for performance majors (**28 hours** for voice performance)
  - **16 hours** required every semester for musical arts and musical arts/teacher education majors (**4 hours** in xxxx1100 or MUED 1010-1040 for musical arts composition)
  - **6 hours** for Composition majors: 3 semesters in any orchestral instrument, piano, organ, harpsichord, guitar, saxophone, euphonium, or voice; 2 semesters chosen from any orchestral instrument, piano, organ, harpsichord, guitar, saxophone, euphonium or voice or MUED 1010-1040; 1 semester chosen from 1100-level performance instruction or JAZZ 1100.

## THE DEGREE PROGRAM

---

### ❑ Ensemble 8 hours minimum (every semester in residence at Blair)

Specific requirements are determined by each major area. Auditions for major ensembles are required each semester until requirements are fulfilled: <http://blair.vanderbilt.edu/ensembles/>. Please check the curriculum plans for corequisite chamber music options for your instrument; for chamber music enrollment information, please see: <http://blair.vanderbilt.edu/academics/ChamberMusicEnrollmentForm122014.pdf>. Assignment to ensembles is at the discretion of the directors. During study abroad, students may waive participation in an ensemble "of choice"; performance majors who study abroad may waive one semester of MUSE 1010 or 1020. However, students must fulfill the minimum number of ensemble credits required for the degree.

#### Conducted Ensembles [1 credit hour each]:

MUSE 1010	Instrumental Ensembles
MUSE 1020	Vanderbilt Symphonic Choir
MUSE 2120	Vanderbilt Chorale

**Chamber Music Ensembles [½ to 2 credit hours each, depending on circumstance]: MUSE 1120, 1130, 1150, 1160, 2210, 2220, 2230, 2240, 2250, 2260, 2272, 2300, 2310, 2320, 2330**

#### Other Ensembles [1 credit hour each]:

MUSE 1310	Jazz Ensemble: Big Band [1]
MUSE 1030	Vanderbilt Opera Theatre [1]
MUSE 1200, 1210, 1220, 1230, 1240, 1320	World and Vernacular Music Ensembles [1]

-Ensembles must be added by the student before the end of the drop/add period each semester. Chamber music ensembles may be added for credit during the second week of classes with the assistance of the Office of Academic Services, after which, participation will be considered extracurricular.

-After their first semester, students with a strong academic profile who wish to take an overload may petition the Associate Dean for **zero-credit registration in a single ensemble (form is at [blair.vanderbilt.edu](http://blair.vanderbilt.edu))**. If granted, students should be aware that the semester's zero-credit ensemble work will not count toward the total of 80 hours in music required for the degree program. It will, however, fulfill a required ensemble enrollment. Zero credit for required ensembles is reserved for students with second majors/minors or a pre-professional program. Required ensembles taken for zero credit must be replaced by other music electives in order to earn the minimum of 80 credit hours in music.

## THE DEGREE PROGRAM

### Musical Arts/Teacher Education, Instrumental/General 2017-2018 Catalog Requirements, cont.

---

#### Teaching:

- Instrument classes MUED 1010 (1010 not recommended in 1st year), 1020, 1030, 1040 – 4 hours
- MUED 3870, 3871, 3872 Practica in Music Teaching– 3 hours

\_\_\_ A junior review is required in the fall of the third year (see Undergraduate Catalog for requirements)

#### Liberal Arts:

To meet licensure requirements, students need to pay special attention to the course prefix (e.g. HIST, not AMER). Although the content of interdisciplinary offerings may be similar to the approved courses, Tennessee Department of Education guidelines require training from a variety of discipline-based perspectives. To meet these stringent guidelines, courses selected must come from within a traditional discipline taught by a scholar trained in that discipline. (For instance, the American History course must be from the History department, and cannot be listed as an American Studies course.) When choosing your courses, make sure to confirm their licensure eligibility with your adviser.

#### English/Writing: 6 hours

- MUSL 2200W, required during freshman year (also counted above in MUSLs)
- Choice of AP/IB English credit; any course in English, or any writing course (any W in the English Language, any 1111, or ENGL 1100). Must be from outside of music.

#### Humanities: 6 hours

- 3 hours MUSL 2100 (also counted above in MUSLs)
- 3 hours in art history, humanities, language, philosophy, or religious studies. (Note: this course must be in a third humanistic discipline – a department OTHER than the one used to satisfy the writing requirements.)  
[3 additional hours in Humanities are listed above under Music Literature electives]

#### History and Social Science: 6 hours

- 3 hours American History from the History department (consult catalog for HIST list)
- 3 hours chosen from Anthropology, Economics, Political Science, or Sociology (a departmentally-based social science discipline other than history; cannot come from an interdisciplinary program)  
[3 additional hours in History are listed above under Music Literature electives]

#### Math and Natural Science: 7 hours

- 3 hours math, chosen from statistics (ECON 1500, MATH 1010 or 1011, PSY-PC 2110 [Peabody]) or calculus (MATH 1100, 1200, 1201, 1300, 1301, 2200, 2300, 2500, 2501)
- 4 hours any science course with a lab

#### Academic Electives: 6 hours (to be completed before fall of the junior year)

- 3 hours Society, School and Teacher EDUC 1220

- MUED 1050 Classroom Instruments– 1 hour
- MUED 3870, 3871, 3872 Practica in Music Teaching– 3 hours

**Liberal Arts:**

To meet licensure requirements, students need to pay special attention to the course prefix (e.g. HIST, not AMER). Although the content of interdisciplinary offerings may be similar to the approved courses, Tennessee Department of Education guidelines require training from a variety of discipline-based perspectives. To meet these stringent guidelines, courses selected must come from within a traditional discipline taught by a scholar trained in that discipline. (For instance, the American History course must be from the History department, and cannot be listed as an American Studies course.) When choosing your courses, make sure to confirm their licensure eligibility with your adviser.

**English/Writing: 6 hours**

- MUSL 2200W, required during freshman year (also counted above in MUSLs)
- Choice of AP/IB English credit; any course in English, or any writing course (any W in the English Language, any 1111, or ENGL 1100). Must be from outside of music.

**Humanities: 6 hours**

- 3 hours MUSL 2100 (also counted above in MUSLs)
- 3 hours in art history, humanities, language, philosophy, or religious studies. (Note: this course must be in a third humanistic discipline – a department OTHER than the one used to satisfy the writing requirements.)  
*[3 additional hours in Humanities are listed above under Music Literature electives]*

**History and Social Science: 6 hours**

- 3 hours American History from the History department (consult catalog for HIST list)
- 3 hours chosen from Anthropology, Economics, Political Science, or Sociology (a departmentally-based social science discipline other than history; cannot come from an interdisciplinary program)  
*[3 additional hours in History are listed above under Music Literature electives]*

**Math and Natural Science: 7 hours**

- 3 hours math, chosen from statistics (ECON 1500, MATH 1010 or 1011, PSY-PC 2110 [Peabody]) or calculus (MATH 1100, 1200, 1201, 1300, 1301, 2200, 2300, 2500, 2501)

Students accepted into the program must take a total of 9 credit hours: MUSL 4998-4999, Senior Honors Thesis (6 hours) and one course chosen from MUSL 3150, 3220-3240, 3160, 2610, or 3890 (3 hours). Successful completion of the honors program requires an oral defense of the honors thesis before a faculty committee. This defense will occur at the end of the second semester of thesis enrollment. Those enrolled in the program who successfully complete its requirements with distinction may graduate with Honors or Highest Honors in music literature and history.

- Departmental approval of Prospectus and admission to the program
- MUSL seminar (chosen from MUSL 3150, 3220-3240, 3160, 2610, or 3890)
- Senior Honors Thesis, MUSL 4998-4999
- Successful oral defense of the honors thesis before a faculty committee

#### 3+2 B.Mus. / M.B.A. Blair-to-Owen program

The five-year joint program between the Blair School of Music and the Owen Graduate School of Management allows a small cohort of particularly motivated Musical Arts students to overlap their Undergraduate coursework with work toward the M.B.A., facilitating the earning of both the undergraduate and graduate degrees in five years (ten semesters). By combining three and one-half years in Vanderbilt's Blair School of Music with one and one-half years of study in the Owen School, students may obtain both the B.Mus. degree and the M.B.A. in five years. The B.Mus. in Musical Arts from the Blair School is awarded at the end of the fourth year, and the M.B.A. from the Owen School after the fifth year.

This program follows the model that A&S and Engineering have adopted, where a student spends his or her undergraduate time to "pursue intellectual curiosity and develop analytic and communication skills—without regard to subject matter," completing all of the requirements of an established undergraduate major. Thus, students in this Blair-to-Owen program will continue to fulfill all of the B.Mus. degree requirements, but choose course offerings (particularly in their academic electives) that will facilitate a rapid completion of the M.B.A. requirements. At both the undergraduate and graduate level, a student may elect courses of interest in music business and/or arts management, but with a few exceptions (one course in the Business of Music, and the completion of an internship prior to application to the M.B.A. program), such courses are not required.

Students must apply to the Owen School for admission to the five-year program during their junior year. Applications are due no later than October 6 of the junior year; and early application plus the GMAT are recommended. Acceptance into the five-year program is extremely competitive and requires advanced standing earned in undergraduate courses. Being deficient in full time work experience, the 3+2 student must enhance their portfolio with outstanding academic performance and show a strong commitment to a rigorous business education. The Summer Business Institute (Accelerator) is strongly recommended between the junior and senior years for 3+2 applicants prior to matriculating at Owen. The successful applicant will bring an accomplished academic record (normally a GPA of 3.3 or better), satisfactory internship or work experience, an ability to articulate his or her own preparedness for the work environment, and a strong endorsement from Vanderbilt faculty.

The application includes:

- On-line M.B.A. application, including two essays
  - Two letters of recommendation
  - Submission of a current transcript (reflecting undergraduate work through the end of Sophomore year)
  - GMAT scores – fall of junior year
  - TOEFL (as appropriate)
  - Personal interview.

#### **3+2 B.Mus. / M.B.A. Blair-to-Owen program (cont.)**

Students are subject to normal Owen School admission requirements, and no student is assured of admission to the Owen School by virtue of completion of the requirements listed above. Students who are accepted will be registered in the Owen School for three semesters (a minimum of 48 hours). Fifteen hours of Owen School courses approved by Blair may be counted toward completion of the undergraduate degree. Upon acceptance to the Owen School, students should contact the office of student services for an advising appointment. The Associate Dean of Academic Programs will review undergraduate courses and arrange for transfer of those credits toward the student's M.B.A. degree.

Students who are accepted to the 3+2 program will remain registered as B.Mus. students through Spring of Junior year and Fall of Senior year, and register as Owen students in Spring of Senior year. Academically, students will take a full load of business courses both in Fall and Spring of Senior year while completing the final B.Mus. degree requirements (normally, lessons and ensembles). The completion of the B.Mus. degree requirements prior to Fall of the student's fifth year is required for continuation in the M.B.A. program.

Students in this program will pursue a Blair Musical Arts major while completing the following required Owen courses no later than the end of the first semester of the fourth year. ### Special Programs, cont.

#### Teacher Education

The Blair School and Peabody College offer a program for students interested in teacher licensure. Students completing this program earn the bachelor of music (B.Mus.) degree, majoring in the musical arts/teacher education track for four years, and the master of education (M.Ed.) degree in the fifth year to complete professional education requirements. During the summer after the junior year, application is made to Peabody College. The M.Ed. work requires one calendar year, June–May. Students may elect to work toward licensure in either instrumental/general or vocal/general music. The curriculum includes a strong music performance emphasis; a solid foundation in music literature, theory, and the liberal arts; undergraduate and graduate courses in psychology and education; and practica (practical experience) four of the five years of study, with two student teaching opportunities in the spring semester of the master's degree work. Practica consist of experiences in public and private schools. The liberal arts core is adapted to fulfill state licensure requirements. The music electives ordinarily associated with the musical arts curriculum are, for students in the five-year program, largely devoted to prerequisites for the M.Ed. degree and for the teaching license; thus, there may be few free elective hours in this curriculum.

#### Junior Mid-Program Review (Screening I)

All students admitted to this program at matriculation must be formally continued through a process called Junior Mid-Program Review. Criteria for this review are listed below. Students not approved can complete the general musical arts degree.

#### *Junior Mid-Program Review*

Faculty evaluation of a student's qualifications for continuation in a teacher education program includes academic, performance, and disposition factors such as the following:

1. Dependability (as evidenced by good attendance and academic performance in classes and practica)
2. Professional and ethical behavior (honesty, acceptance of responsibility, emotional maturity, etc.)
3. Attitude and interpersonal skills (including the ability to work with children and with peers)
4. Academic competence

#### *Specific Criteria*

1. A minimum cumulative grade point average of 2.500.
2. Successful completion (C- or better) of EDUC 1220 and SPED 1210
3. Successful completion (C- or better) of MUTH 2200, MUSC 2200, MUSL 2200W and MUED 3870.
4. Successful completion (C- or better) of two additional Vanderbilt courses which count towards the Liberal Arts Core.
5. Departmental interview.

#### *Procedure for Junior Mid-Program Review*

Students apply for continuation in the teacher education program (Screening I) through the Blair program director. Applications must be submitted in the fall semester of the junior year. Deadline for submitting applications for Junior Review is 1 October. A departmental interview is then held with each candidate to review the student's academic progress and disposition criteria of dependability, professional and ethical behavior, attitude and interpersonal skills.

#### Admission to the Master's Degree

During the junior year, students are counseled to take the Graduate Record Examination (GRE) or the Miller Analogies Test (MAT) and apply for admission to Peabody College for the master of education degree program. The admissions process includes consideration of GPA, test scores, and recommendations. Deadline for receipt of all application materials is the summer between the junior and senior years.

### Admission to Student Teaching (Screening II)

Prospective student teachers must apply for admission to student teaching during the fall semester of the fifth year.

Application materials are available at [peabody.vanderbilt.edu/admin-offices/teacher-licensure/licensure\\_for\\_undergraduate\\_students/screening.php](http://peabody.vanderbilt.edu/admin-offices/teacher-licensure/licensure_for_undergraduate_students/screening.php). Deadline for submitting applications is 1 October. Student teaching requires at least two placements at two different age levels in a fifteen-week semester.

### *General Criteria for Admission to Student Teaching*

1. Completion of the B.Mus. degree.
2. Admission to the Master of Education program.
3. Successful completion of all courses prerequisite to student teaching.
4. A minimum grade point average of 3.00.
5. Satisfactory performance in course work in areas in which teacher licensure is sought.
6. Submission of a résumé and a letter to parents introducing yourself and outlining your goals for the students you teach.
7. Endorsement by the appropriate faculty regarding academic, musical, and personal readiness to teach, including dependability, professional and ethical behavior, attitude, and interpersonal skills.

### *Application for Teacher Licensure and University Recommendation for Licensure*

All students completing the teacher education program at Vanderbilt are strongly advised to apply for a license in Tennessee whether or not they plan to teach in this state. Normally a Tennessee license is accepted in all other states and foreign countries in which Vanderbilt students apply to teach. The student is responsible for applying for licensure through the Office of Teacher Licensure located in 210 Peabody Administration Building. Each state has its own set of application forms and procedures for licensure; information is available in the Office of Teacher Licensure. To be licensed through Vanderbilt's teacher education program, a graduate must earn a positive licensure recommendation from the university. The university's decision to recommend a candidate is based upon the following:

1. Maintaining a 3.0 grade point average in the fifth year.
2. Achieving the state minimum score on all required parts of the PRAXIS Examinations. A copy of the scores must be sent to the Vanderbilt Office of Teacher Licensure (code R 1871).
3. Satisfactory completion of the Teacher Performance Assessment (edTPA)
4. Receiving a positive recommendation from the student's department as a result of the student teaching experience (Pass in student teaching does not guarantee a favorable recommendation).

All Vanderbilt teacher education programs are approved by the National Council for Accreditation of Teacher Education (NCATE). The program for licensure to teach instrumental/general or vocal/general music is approved by the National Association of Schools of Music (NASM).

### LIBERAL ARTS CORE

The liberal arts core affords music students the opportunity to develop a broad-based understanding of intellectual endeavors and methods in a variety of disciplines, to explore the interconnectedness of music, arts, and other humanistic pursuits, and to articulate their thinking in clear and effective language. Minimum requirements are 30 credit hours:

- English / Writing—6 hours, including MUSL 2200W**
- Humanities—9 hours, including MUSL 2100**
- Mathematics or natural science—3 hours**
- History or social science—3 hours**
- Academic electives to complete:**
  - 30 liberal arts hours for musical arts or performance majors
  - 31 hours for teacher education students
  - 33 hours for Composition majors.
- Submission of Writing Portfolio**

**Advanced Placement** credit can be used to fulfill liberal arts core requirements. Complete information on AP and IB credit and on specific courses can be found in the *Undergraduate Catalog*.

**Transfer credit** coursework may be eligible to count as part of the liberal arts core.

**Double-counting courses (categories, not credits).** Some courses can **double count**, i.e. fulfill two areas. For example, the same course might fulfill both English/Writing and Humanities or English/Writing and History/Social Science, if courses are listed for both areas. When courses which fulfill the English/Writing requirement are also used to satisfy other portions of the liberal arts core, **additional credits of Academic Electives will be required.** Musical arts majors may double count certain music literature/history courses as English/writing, humanities or history/social science credit; refer to pp. 46-47. While double-counts satisfy specific required categories, a student must still complete the required minimum number of credits in liberal arts for their specific major.

**Triple-counts are not permitted; MUSL 1111 can fill 2 but not 3 categories (MUSL elective, writing credit, humanities or social science [depending on topic]).**

**First-year students should not register for upper-level courses without permission of the instructor.**

### **ENGLISH / WRITING—6 hours**

Students must complete writing course MUSL 2200W during the first year. A second English/writing course of at least three credits is required and can be chosen from:

- AP or IB credits in English/Writing (consult the University Admissions website for current policy: <http://admissions.vanderbilt.edu/academics/ap-ib.php>)
- First year writing seminars (1111) in any discipline
- Writing courses in the English language in any discipline, designated by "W"
- English: all courses
- Communication Studies: 1500, 1850

-For musical arts/teacher education majors, an English/writing course outside of music is required.

-Students with a score of 770 on the Evidence-Based Reading and Writing portion of the SAT with a minimum score of 39 in the Writing and Language portion may exempt the second English/writing course, substituting 3 hours of any academic elective. **Students who do not present** a score of 660 on the Evidence-Based Reading and Writing section of the SAT test (with a score of 27 in Reading and 28 in Writing and Language), or a score of 30 on the English portion of the ACT, must enroll in ENGL 1100 in the first semester.

**Please consult the Undergraduate Catalog for writing courses (W) in other disciplines which will double count for Blair students in both English and the Liberal Arts category indicated by the AXLE notation in the catalog (see YES). They are often available in American Studies, History, Anthropology, Art History, Jewish Studies, Philosophy, Religious Studies, Sociology, Women's and Gender Studies, Psychology, Theatre, Math, Classics, and Economics.**

### ACADEMIC ELECTIVES—9 hours

#### 1. Requirements

**For composition majors** 2-6 hours, a total of 33 hours in liberal arts

**For teacher education students (MA/5)** 6 hours:

Society, the School, and the Teacher *EDUC 1220*

Intro to Exceptionality *SPED 1210*

**For vocal performance majors** 5-9 hours to total 30 hours in liberal arts

**Academic electives**, drawn from courses earning 3 or more credits, may include:

- any course listed in the Liberal Arts Core
- non-music courses in:
  - American studies (AMER)
  - computer science (CS)
  - Engineering science (ES)
  - financial economics (FNEC)
  - managerial studies (MGRL)
  - human and organizational development (HOD)
- any course in the Divinity School.
- When a science course is taken with a lab, both courses may count as academic electives, provided the student earns a passing grade in each. **Labs taken independently (without the lecture) will not count as an academic elective.**

Practicums and internships may not count as academic electives.

Note that courses listed as “approved electives” or “recommended courses” in another school’s major or program are not necessarily approved for Blair’s Liberal Arts core.

### FREE ELECTIVES—sufficient to complete 126 hours

**Free electives** include any course in any Vanderbilt school or college.

**Transfer credit** for summer work in music may count for free elective credit, subject to regulations in the *Undergraduate Catalog*.

### HOW TO DETERMINE WHICH COURSES COUNT FOR A CATEGORY IN THE LIBERAL ARTS CORE:

AXLE designations [HCA, P, etc.] are used to determine which courses will count for a particular category in the Blair liberal arts core. For example, courses in Classics (CLAS) can count for either Humanities or a Social Science, and the AXLE designation in [ ] determines which it is. (This does not mean that Blair students must satisfy AXLE requirements.) You may find the AXLE designation by clicking on the course in YES. Look for the [ ] at the end of the course description.

#### Examples:

Classics (CLAS) courses with [SBS] will count as a history class at Blair; all other categories count in Humanities.

Jewish Studies (JS) courses: All [HCA] and [US] designated courses count in Humanities, *but* all [SBS], [INT], and [P] designated courses count in Social Science.

## OTHER ACADEMIC PURSUITS

### □ MINOR OR SECOND MAJOR

Please consult the *Undergraduate Catalog* for information about available second majors and minors. Disciplines and Majors are found at: <http://www.vanderbilt.edu/academics/disciplines/>

The only second major in Engineering available to Blair Students is Computer Science.

#### **Steps for Successfully Completing a Second Major or Minor:**

**Consult with Professor Amy Jarman, Head of Academic Advising. A second adviser from the appropriate department is also needed. The earlier this is done the better!**

- Information about the assignment of Arts and Science second major advisers is found on the Vanderbilt web site. Contact the DUS of the appropriate department. For a Peabody adviser contact the appropriate department. For the HOD major contact Vicki Scaff, 104 Mayborn Building, phone 2-6881 or e-mail [vicki.scaff@vanderbilt.edu](mailto:vicki.scaff@vanderbilt.edu).
- For an Engineering adviser contact Senior Associate Dean Art Overholser, 5332 Science and Engineering Building, phone 3-3773 or e-mail [knowles.a.overholser@vanderbilt.edu](mailto:knowles.a.overholser@vanderbilt.edu).

**Submit paperwork to the Blair Office of Academic Services by the 5<sup>th</sup> day of the first semester of the senior year (but earlier is better) to establish a Blair concentration, a minor or a second major.** Forms are available at [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics). Students with a declared minor or second major have priority during course enrollment.

**Consider the Musical Arts major**, a more flexible curriculum program with the advantage of “double counting” some music literature/history electives and liberal arts core courses (see Table 1) and offering more available non-music credit hours in years one and two. Discuss this with your adviser.

**Double count W courses** in humanities or other areas to fulfill the English/Writing requirement, or take for English credit those W courses listed under humanities. Voice performance majors must double count in areas other than humanities. Double count any overlap between the minor or second major and the liberal arts core. **Double count the areas but not the hours.**

**Use academic electives and free electives** for the requirements in the minor or second major. Don't take anything that isn't required for your first two years, and plan free electives carefully. **Plan well ahead** for courses you need. Be aware of **alternate year courses**, as mentioned in catalog course descriptions, to prevent scheduling problems.

**MUSL 3100 and the fourth MUSL of the core sequence**, may occasionally be postponed by a year, if necessary, since the entire literature/history sequence is only 4 semesters. This is especially appropriate for students whose second major is math or foreign language, both of which benefit from early and uninterrupted study. Students must complete a writing course in the freshman year unless AP/IB credit has been earned.

**Blair students need to fulfill only BLAIR'S liberal arts core requirements.** The second school's liberal arts or liberal education requirements, such as AXLE, **do not apply** to Blair Students earning a second major.

**If summer school at Vanderbilt** is planned, be aware that fewer courses are offered in the summer. Liberal arts core courses are usually available; check summer course listings on YES or talk with the Arts and Science dean's office about specific courses. For summer study elsewhere, see *Transfer student information*.

**The GPA** in the second major or minor must be 2.0, or that major or minor will not be certified.

It is possible to take both a minor and a second major, or a minor and a Blair concentration, or two minors, or two majors, if time (and AP credit) permits.

**Dropping a minor or second major** requires paperwork with the Blair Office of Academic Services. This should be handled in a timely fashion or your information in YES will be incorrect. Forms can be found at [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics).

## OTHER ACADEMIC PURSUITS

### ☐ HOD

The **human and organizational development** major at Peabody requires liberal arts courses which specifically fit that major. **Fulfilling this major is likely to require a summer session or extra semester.** The major has a choice of 5 tracks: Leadership and Organizational Effectiveness, Health and Human Services, Education Policy, International Leadership and Development, and Community Leadership and Development. <http://peabody.vanderbilt.edu/departments/hod/undergraduate-program/index.php>  
Contact Vicki Scalf, 104 Mayborn Building, phone 2-6881 or e-mail [vicki.scalf@vanderbilt.edu](mailto:vicki.scalf@vanderbilt.edu).

### ☐ UNDERGRADUATE BUSINESS MINOR

[vanderbilt.edu/undergraduatebusinessminor](http://vanderbilt.edu/undergraduatebusinessminor)

This is a new minor, available to students in the class of 2019 and beyond. Students already enrolled in the Managerial Studies minor may finish that program. Students wishing to pursue the minor should discuss this with their adviser at an early date and consult the managerial studies office in Calhoun 215 (phone 322-4021) or email [michelle.e.olin@vanderbilt.edu](mailto:michelle.e.olin@vanderbilt.edu)). Students interested in applying to graduate school in economics should consult Prof. Malcom Getz, 406 Calhoun Hall, 2-3425 or e-mail [malcolm.getz@vanderbilt.edu](mailto:malcolm.getz@vanderbilt.edu). Students interested in applying to the Owen Graduate School of Management should contact its Admissions Office at 2-6469.

### ☐ PRE-LAW STUDENTS

Students interested in the study of law should first attend a Prelaw Workshop hosted by the prelaw advisor, Professor Carrie Russell. If your questions are not answered during the workshop, please call 322-2750 to schedule an appointment. Please see <http://www.vanderbilt.edu/career/tools/publicpolicy.php> for workshop dates.

### ☐ PRE-NURSING STUDENTS

Students interested in nursing should visit the Nursing School's website: [www.nursing.vanderbilt.edu](http://www.nursing.vanderbilt.edu), in addition to The Pre-Nursing Handbook at: <http://www.nursing.vanderbilt.edu/pdf/preursehandbook.pdf>. Dr. Jana Lauderdale is the pre-nursing adviser (phone 343-2228).

### ☐ ROTC, AFROTC, and NROTC

ROTC is a challenging series of college electives which teach leadership and management skills. The programs prepare both men and women for responsibilities as Second Lieutenants in the active Army, Army Reserve, Army National Guard, United States Air Force, or in the U.S. Navy and Marine Corps.

Detailed descriptions of the programs are found in the front chapters of the Undergraduate Catalog.

Any full time student can sign up for ROTC classes. Freshmen and sophomores take introductory basic courses, without obligation, to learn about ROTC and officer opportunities. Eligible juniors and seniors take advanced courses after they enter into a contract with the appropriate branch of the military.

## OTHER ACADEMIC PURSUITS

### ☐ PRE-MED or PRE-DENTAL STUDENTS

There is no “pre-med” major at Vanderbilt, but students should notify the Blair Office of Academic Services and the Head of Academic Advising of their intention to complete pre-med requirements. Course scheduling is best planned in consultation with Professor Amy Jarman, Head of Academic Advising at Blair, and the University’s health professions adviser, Prof. Robert Baum, 1801 Edgehill Ave., Suite 106/Room 114. The pre-med office can be reached at 2-2446 and at the Health Professions Advisory Office website, [www.vanderbilt.edu/hpao/](http://www.vanderbilt.edu/hpao/), or you may email Lauren Rains, the office assistant, at [lauren.rains@vanderbilt.edu](mailto:lauren.rains@vanderbilt.edu).

The information provided here is not a substitute for conversations with your adviser. Consult both your school-based adviser and the Health Professions Advisory Office to develop a plan that suits your own strengths, interests, and background.

**Electives and double counts:** Blair students are advised to take a **second English course (MUSL 2200W is the first English course) which double counts** to fulfill humanities requirements (saves 3 hours). **Academic electives** in the liberal arts core overlap with pre-med requirements (English and Math/Science); free electives are used for additional hours. Musical arts majors may be able to double count some music literature/history electives with liberal arts core courses.

**Summer school** can help earn the needed hours; pre-med courses can transfer in if approval is sought in advance (submit transfer credit form to Blair by April 1). If the course is taken at a peer institution, it is usually acceptable for the medical school application. If it is taken at an institution that is less selective than Vanderbilt, it will be acceptable as long as the student earns very high grades in every other course at Vanderbilt. Apply for transfer credit through the Blair Office of Academic Services, providing course descriptions from the desired university catalog, course syllabi, and approval from the appropriate A & S department. Follow the regulations on transfer credit in the “Academic Regulations” section of the Blair section of the Vanderbilt *Undergraduate Catalog*. Paperwork is at [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics).

### MCAT information:

The new MCAT (Medical College Admissions Test) reflects the changing nature of medical education. The four sections are:

- Biological and Biochemical Foundations of Living Systems
- Chemical and Physical Foundations of Biological Systems
- Psychological, Social and Biological Foundations of Behavior
- Critical Analysis and Reasoning Skills.

In order to be adequately prepared for the MCAT students will, in addition to the basic sciences of General Chemistry, Organic Chemistry, Physics and Biology, need to be knowledgeable in Biochemistry, introductory psychology and sociology concepts, and introductory biology concepts that relate to mental processes and behavior. Although specific knowledge of ethics, philosophy, cross-cultural studies and population health is not required, these areas will be tested through the analysis, evaluation and application of information provided by passages from a wide range of social sciences and humanities disciplines.

It is strongly recommended that students who plan to apply to medical school take one semester of Biochemistry and one semester of statistics as part of their curriculum. Additionally, through course work or self-directed study, students will need to be knowledgeable in basic concepts of psychology, sociology and bioethics.

Many courses that count toward core requirements and/or major requirements are also relevant to these new emphases for premedical preparation.

Students who plan to take the MCAT should consult the Head of Academic Advising and the Health Professions Advisory Office (HPAO, <http://www.vanderbilt.edu/hpao/>) about how to incorporate appropriate courses in these areas in their plans.

**Gap Year:** Under the MCAT guidelines, some students might consider taking the MCAT later than the junior year. Student who opt for a gap year should bring a clear explanation of how what they do during that year will contribute to their futures as doctors. Lab research, global outreach, pursuit of educational opportunities, or a relevant job are all good explanations. A non-medical gap year can also be appropriate, e.g. work to help pay off student loans, save for medical school, etc.

### STUDY ABROAD

Global Education Office  
Student Life Center, 310 25th Avenue South, Suite 115

(615) 343-3139  
[www.vanderbilt.edu/geo](http://www.vanderbilt.edu/geo)

### PROGRAMS

Five study abroad programs are coordinated with the Vanderbilt degree programs in music:

- IES program in Vienna, Austria
- IFSA/Butler program at The University of Sydney/Sydney Conservatorium of Music in Australia.
- Amsterdam Conservatory
- Milhaud Conservatory, through Vanderbilt in France (knowledge of French is required)
- DIS program in Copenhagen, Denmark; Royal Danish Academy of Music

These programs include provisions for lesson and ensemble credits, contingent upon audition and admission to the program. These will count towards the Blair music core and are covered at least in part by regular tuition and fees (there is an extra fee for lessons in Copenhagen and Vienna). All will also allow for a range of liberal arts and elective credits. Students enrolled in IES Vienna will be required to enroll in German; there is, however, no language prerequisite for admission to the program. **Further information can be obtained from the Global Education Office (contact information above) and from Associate Dean Melissa Rose.**

Blair students may also elect any of the Vanderbilt-approved study abroad programs; see descriptions under "Study Abroad" in the front chapters of the *Undergraduate Catalog* and on the Vanderbilt Global Education Office website, <http://www.vanderbilt.edu/geo>. Blair students in these programs have typically enrolled in music electives, courses in the liberal arts core, and in coursework towards minors and second majors. Students in these programs typically arrange alternative private lesson study, and those fees are usually not covered by tuition. Any student studying abroad must register for International SOS. If a program has been approved for direct credit by Vanderbilt, a student may not enroll through that program through an external agency and then seek to transfer that credit into Vanderbilt. Please see the *Undergraduate Catalog* for details.

### APPLICATION

For all study abroad programs, **applications (and fee) must be filed through the Global Education Office a full semester in advance**; the Associate Dean must also be notified.

Students who elect to study abroad must plan carefully with their adviser and Dean Rose, making sure that required alternate year courses will not be missed. Application and deadline information is available on the Study Abroad website, <http://www.vanderbilt.edu/geo>. Note that students who wish to study abroad in their penultimate semester must petition the Blair Curriculum Committee for permission; the student petition form is available on the Blair website.

### OTHER MUSIC REQUIREMENTS WHILE ABROAD

**Private Instruction:** With the exception of the Sydney and Amsterdam programs, where performance study is fully integrated into the program, the cost of private study overseas is the student's responsibility. Credit for **performance** may be handled in several ways:

- Credit in performance may be earned through **credit by examination** (form for Credit by Exam is available at [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics)) based on literature studied abroad, with the exam completed during the first month upon return (see "credit by examination" under Academic regulations). **IES Vienna** lessons are partially subsidized with a stipend, but students must elect the "credit by examination" option and present a jury upon return to Vanderbilt. Students enrolling elsewhere should consult their studio instructor and the Associate Dean for advice.
- **Sydney Conservatorium, Royal Danish Academy of Music, and Amsterdam Conservatory** enrollment in private music instruction is for **direct credit**, and lesson grades will automatically transfer back to Vanderbilt as a regular part of the semester's study.
- Students may complete private music instruction through **additional summer work** at Vanderbilt.
- Musical arts majors may cover the missing credits in lessons through additional credit hours of performance study upon their return (usually 3 credits for the next two semesters of study).
- Please note that large instrument rental and fees are the responsibility of the student; please discuss your individual circumstances with your financial aid officer.

**Ensemble requirements:** Ensemble is not required while abroad, but the total number of ensemble credits required for the degree must be completed.

**Recital attendance and Performance Class** are not made up because students overseas are not officially "in residence" and the semester's requirement will automatically be waived.

## OTHER ACADEMIC PURSUITS

---

### TRAVEL ABROAD

Vanderbilt prides itself on the range of international experiences it supports. In addition to the formal study abroad programs described above, the University offers a number of classes built around foreign travel. The Blair School offers a summer immersion program in Aix-in-Provence to selected students (students may register for credit for this program). Performance tours and class-related study abroad tours have also been a vital part of the Blair experience for many students. Other students may wish to participate in Alternative Spring Break, or integrate foreign experiences into other student organization experiences. **Any students who wish to travel abroad under Vanderbilt auspices, either in a for-credit environment or as a student volunteer, must register with International SOS. Blair students who are traveling as Blair representatives must also file paperwork with the Blair Accounting Assistant, Darlene Bethke.**

### VOLUNTEER AND INTERNSHIP OPPORTUNITIES

There are numerous opportunities for volunteer and internship service available. Student organizations (<http://www.vanderbilt.edu/oacs/servicegroups.html>), the Office of Active Citizenship and Service (<http://www.vanderbilt.edu/oacs/>), and the Center for Student Professional Development (<http://www.vanderbilt.edu/career/>) can provide a variety of service opportunities. Blair itself has established a close relationship with the W.O. Smith Community Music School (<http://www.wosmith.org/>) and invites students, staff and faculty to volunteer their time and skills to help provide “*education, instruction and encouragement ... to children with a passion for music without the means to afford lessons or instruments.*”

Students cannot earn direct academic credit for internships or other service opportunities through Blair, but they may pursue one of two academic options as a corollary to their experiences if credit is desired.

- In **MENT 3880, 3881, 3882, Music Internships**, the student develops an independent project around the internship that results in a written document or other tangible evidence of subject mastery to allow for academic reflection and processing of the experience. The project must be consistent with the regulations for any Independent Study; the student will need to obtain a Blair faculty sponsor and obtain the approval of the academic adviser and the Associate Dean. The project description, which is equivalent to a course syllabus, will need to be submitted no later than the 10<sup>th</sup> day of classes. Forms for internships are available on the Blair website, [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics).

Students with **summer internships** requiring an academic component register for MENT 3882 and apply for the *Summer Internship Subsidy* through the Career Center. For complete details, please see <http://www.vanderbilt.edu/career/students/summerinternshipsubsidy.php>

- In **MPED 3880, Pedagogy Internship**, students interested in pursuing music pedagogy may pursue a concentration in pedagogy, one component of which is practical experience through the pedagogy internship. Acceptance to the Pedagogy Concentration is a prerequisite, and formal approval of a study plan must be submitted no later than the 10<sup>th</sup> day of classes.

**❑ BLAIR ADVISING AND ADMINISTRATION****FACULTY ADVISERS**

Each new student is assigned an academic adviser and a studio adviser (applied teacher). Students must meet with their academic advisers for registration each semester and at mid-semester if deficiency notices are received in any course. Advice can also be obtained from Head of Advising and Associate Dean. Advisers assist with curriculum planning, but students are responsible for knowing and completing all requirements. Students are asked for input regarding the Blair advising system each spring semester. Advising problems should be discussed with Assoc. Dean Rose; changes can be made if needed. Students taking a minor or second major must request a second adviser from that area.

**HEAD OF ACADEMIC ADVISING, Amy Jarman**

The Head of Academic Advising assists and advises first-year and transfer students during summer registration. She holds office hours for students who need extra advising help throughout the academic year, especially with second majors and other complicated schedules. She assists the Associate Dean in tracking academic progress and for other projects as assigned. She edits the *Adviser Handbook* and oversees Blair academic advisers, in addition to advising intra-university transfers.

**BLAIR DEPARTMENT CHAIRS**

The Blair Department chairs help to organize class offerings and scheduling, placement of students, and faculty/student load distribution. For performance departments, the Department Chair compiles student information from teachers in the department prior to registration and schedules departmental interviews, auditions and performance examinations. The Department Chair also handles student complaints, grade appeals, and fiscal matters as appropriate. For academic departments, the Department Chair organizes and oversees the use of student assistants, including tutors.

**DEAN, Mark Wait**

The Dean is the chief academic and administrative officer of the School and reports directly to the Provost of Vanderbilt University. The Dean has primary responsibility for programs; budget; relations with faculty, students and staff; and long-range planning efforts. He works closely with Director of Development to coordinate and promote development and outreach efforts.

**ASSOCIATE DEAN, COLLEGIATE PROGRAM, Melissa Rose**

The Associate Dean is responsible for the administration of the collegiate program. She plans and executes Blair's New Student Orientation and conducts exit interviews for seniors. Dean Rose serves as liaison to Student Life, Student Wellness, and to the other campus Associate Dean's offices. She handles all academic affairs for collegiate students, in addition to student issues of extended illness and absence and other concerns as they arise. She edits publications including the *Undergraduate Catalog and Blair Student Handbook*, and provides regular reports on curriculum, staffing, and student progress.

**ASSOCIATE DEAN, PRE-COLLEGE / ADULT PROGRAM, Pam Schneller**

The Associate Dean is responsible for the administration of the Pre-College and Adult program. She also serves as adviser to the Blair Council, and assists in coordinating Blair volunteer activities. She is Blair's commencement liaison and coordinator, and works with the Blair Council on the Senior Recognition Ceremony and Senior Showcase. She assists in scheduling agendas for faculty meetings, and is responsible for monthly faculty announcements.

**BLAIR ADMISSIONS OFFICE, Thomas Crespo, director; Molly Jewell, assistant director**

The Blair Admissions Office works with Undergraduate Admissions office in recruiting and admitting degree-seeking students and prospective Vanderbilt students interested in music offerings. It coordinates auditions for admission and scholarships and counsels prospective and accepted students. The office also assists in editing recruitment publications and advertisements in music journals for the Blair School of Music. The director works with the Financial Aid office in formulating Blair students' financial aid packages and advises Blair students with questions about financial aid.

## ACADEMIC ADVICE

### CAREER DEVELOPMENT

The Career Center (<http://www.vanderbilt.edu/career/>) helps students effectively develop their professional capabilities, define their identities, and build resilience as they prepare for employment in a rapidly changing world. Workshops are offered at Blair, and coaching appointments are available at the center with career cluster coaches. The center helps with resume and cover letter preparation, in addition to internship and employment opportunities. Testing services for MCAT and LSAT are also available at the center.

In addition, the Blair Career Committee sponsors workshops, panels, and field trips throughout the academic year. There is a Blair course also designed to help students with career development: MENT 3100 Career Preparedness: The Business of a Music Professional (for juniors and seniors).

### ❑ CHANGE OF DEGREE PROGRAM

Students who wish to **change from a performance major to a musical arts major** must file the appropriate form with the Blair Office of Academic Services. The form may be found at: [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics). Signatures of the adviser and Associate Dean Melissa Rose are required. Any extra hours previously earned in performance now serve as music electives; any extra hours in ensemble are considered as music electives or free electives.

Students who wish to **change from a musical arts major to a performance major** must consult with the adviser, major professor, and department chair and must audition to be accepted into the performance program. The student then files the appropriate form ([blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics)) with the Blair Office of Academic Services, with signatures of the adviser and Associate Dean Melissa Rose. A plan to make up the missed performance hours must be presented.

Students who wish to **change to a Composition major** must meet with the chair of that department.

Students who wish to **change to or from the teacher education program (MA/5)** must consult with Professor Tucker Biddlecombe, the director of the MA5 program; receive permission from the adviser and performance department chair; and file the appropriate form with the Blair Office of Academic Services. The form may be found at: [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics).

**Intra-University Transfer.** Students intending to transfer within the University should meet with Head of Academic Advising, Amy Jarman, and file appropriate paperwork. For students intending to transfer out of the B.Mus. program, an appropriate academic schedule is determined and Blair will continue to cover private lesson fees for one interim semester. All students are expected to maintain a minimum of 3 credit hours within their home school until transfer is approved. First semester first-year students are ineligible for transfer status. Students who transferred to VU from another institution are eligible for intra-university transfer after having completed one semester in residence and having achieved sophomore standing. See the *Undergraduate Catalog* for more details.

**Change of Studio for Performance Instruction.** Students who are requesting a change of studio should discuss the change with the department chair, or with the Associate Dean if the teacher is the department chair. After a resolution has been reached with the department chair, the student is responsible for speaking with the current teacher. Voice students must see the dept. chair and submit the request in writing.

### ❑ TUTORING

Students in need of tutoring in a music class should speak with the professor or the appropriate department chair. Students in need of tutoring in a non-music course should consult the **Tutoring** website, [as.vanderbilt.edu/supportservices/tutoring](http://as.vanderbilt.edu/supportservices/tutoring), or ask the TA, the faculty member, or the appropriate academic department how to proceed. Tutoring for math and science classes is available through engineering in Featheringill Hall 132 and the Commons Center 215 and 216. If there is a problem with arranging tutoring, please notify Associate Dean Melissa Rose. **The Writing Studio** is a free and confidential writing resource for all Vanderbilt students. It provides students the opportunity to meet with trained writing consultants to discuss all aspects of writing, from invention and outlining to revising and developing style. See [www.vanderbilt.edu/writing](http://www.vanderbilt.edu/writing) for more information. Located in the Commons Center, Calhoun Hall, and Alumni Hall.

## ACADEMIC REGULATIONS AND INFORMATION

---

### ☐ ACADEMIC POLICIES

All students must become familiar with and are bound by all regulations in the Blair section of the *Undergraduate Catalog*.

#### ACCOMMODATIONS

Vanderbilt strives to be an inclusive community for students with disabilities. Students seeking accommodations for any type of disability should contact the Equal Opportunity, Affirmative Action, and Disability Services (the EAD), located in Suite 808, Baker Building (110 21<sup>st</sup> Avenue South); phone 322-4705. The EAD can assist with arrangements for extended time for testing, assistance with locating audio-taped textbooks, physical adaptations, notetakers, reading services, and the like. Accommodations are tailored to meet the needs of each student based on the medical documentation provided. Freshmen who plan to register with the EAD are strongly encouraged to contact the EAD during the summer to ensure the timely processing of their initial request(s) for assistance.

While the school is committed to providing support for all its students as appropriate, regular notification procedures must be followed. A student seeking accommodations must hand deliver a letter from the EAD describing the requested accommodations to each faculty member at the start of every semester. Faculty members have the right to decline belated requests (such as those delivered at the start of an examination hour) as well as requests delivered orally. Retroactive requests for accommodations cannot be honoured.

If you choose, you may disclose your need for accommodations to your adviser and to the Associate Dean, but you are under no obligation to do so.

#### ADDRESS CHANGES

It is the student's responsibility to keep the University informed of his or her correct mailing address (both school and home) by updating in YES. Mail sent to the address on file will be considered to have been delivered. Please see [registrar.vanderbilt.edu/academic-records/change-of-address/](http://registrar.vanderbilt.edu/academic-records/change-of-address/).

#### CLASS ATTENDANCE AND PARTICIPATION

Students are expected to attend all sessions of each class in which they are enrolled. Attendance is an important factor in determining the final grade in a course. A student who fails to abide by the attendance policy set by the course instructor is subject to removal from the course. When students find themselves unable to attend a class, lesson or rehearsal, they should contact the instructor as soon as possible, preferably before the scheduled meeting time. In the case of extended or severe illness or death in the family resulting in absence from classes, students should notify the faculty adviser and Assoc. Dean Melissa Rose, listing email addresses for the instructors who should be informed, so that the circumstances can be explained. Students should follow up with each faculty member upon their return to class.

Policies on attendance and participation are set by the individual faculty member and absence(s) may or may not be considered "excused." Be sure to consult the syllabus for the relevant policies. If an extended absence is required, a student may be eligible for a "withdrawal" from the course; discuss such situations with Associate Dean Melissa Rose. The last day before and the first day after official holidays are regular class days. Assignments are made for classes scheduled on these days, and tests may be given in them. Students must take this fact into account when making travel plans.

#### OFFICIAL UNIVERSITY COMMUNICATIONS

Certain federal statutes require that information be delivered to each student. Vanderbilt delivers much of this information via email. Official electronic notifications, including those required by statutes, those required by University policy, and instructions from University officials, will be sent to students' Vanderbilt email addresses: [user.name@vanderbilt.edu](mailto:user.name@vanderbilt.edu). Students are required to be familiar with the contents of official University notifications, and to respond to instructions and other official correspondence requiring a response. Some messages will include links to the YES Communications Tool, which is a secure channel for official communication of a confidential nature. However, students should not wait to receive such a message, and should check YES frequently to remain current on official, confidential communications. The University makes every effort to avoid inundating students with nonessential email (often called "spam"), and maintains separate lists from which students may unsubscribe for announcements of general interest.

## ACADEMIC REGULATIONS AND INFORMATION

### COURSE AND TEACHING EVALUATIONS

At the end of every semester students are asked to complete an online form evaluating each course they have taken. A summary of evaluations for each class is prepared so that student comments remain anonymous. All collegiate performance instruction commentary is aggregated together to preserve student anonymity. When course enrollment is too small to preserve student anonymity, the student evaluation is not made available to the faculty member. Students may always choose to address written comments to the faculty member directly, to the Dean (for comments on faculty performance) or to the Associate Dean of the Collegiate Program (for comments on course content).

Faculty members use summaries to improve their teaching; the administration uses them in encouraging faculty development and in decisions involving faculty evaluation and promotion.

### COURSE LOAD

Tuition is charged on the basis of a normal course load of 12 to 18 credit hours. Loads outside the norm, which must be recommended by the adviser and approved by Associate Dean Melissa Rose, are charged at an hourly tuition rate. **All overloads must be discussed with and approved by both the Academic Adviser and Associate Dean Melissa Rose.** As an alternative to an overload (and its associated fees), Blair students may be eligible to enroll in an ensemble for zero credit. Zero credit ensemble counts towards the necessary semesters of ensemble experience, but it does not count towards the 80 credits required in music nor towards the 126 credits required for graduation.

### CREDIT HOUR (UNIVERSITY DEFINITION)

One semester credit hour represents at least three hours of academic work per week, on average, for one semester (academic work includes, but is not necessarily limited to, lectures, laboratory work, homework, research, class readings, independent study, internships, practica, studio work, recitals, practicing, rehearsing and recitations). Some courses may have requirements which exceed this definition.

### EXAMINATIONS

Final Exam Schedules may be found on the University Registrar website, <http://registrar.vanderbilt.edu>. Each in-class final exam must be given at the time indicated on the Primary Schedule. The Alternate Schedule is used only if the instructor decides to give an exam at two times. (The School of Engineering does not give alternate exams. Afternoon exams given in Engineering courses begin at 2:00 p.m.)

- Examinations start at the time stated.
- A period of two hours is available for each exam in all schools except Engineering, in which three hours is available.
- Classes that meet on some MWF and also on some TR days will have exams according to the MWF meeting time.
- Blair students with two exams at the same time should report conflicts to the Blair Assoc. Dean's Office.

### HONOR SYSTEM

All work at Vanderbilt is done under the honor system; the honor code is explained at fall orientation and in the on-line Vanderbilt *Student Handbook*.

### RESIDENCE REQUIREMENT

Students must be "In Residence" at the Blair School for at least half the credits required for the degree, and for a minimum of four semesters, including the last two. "In residence" is defined as enrolled for at least 12 hours. Note that this means that the last 30 hours of the degree program must be taken at Vanderbilt. Participation in a Vanderbilt-approved direct credit Study Abroad program counts towards total hours "in residence" at the University, but Blair students must petition the curriculum committee if they wish to study abroad during their penultimate semester and should discuss their situation with the Associate Dean.

### TRANSFER CREDIT

Credit for pre-freshman work is subject to evaluation by the appropriate department, through the Blair Office of Academic Services and with the approval of Associate Dean Melissa Rose. No credit is awarded if the course is offered by a college which is not accredited, if the class was populated by high school students, or if the class was also taken for high school credit. Please see the *Undergraduate Catalog* for complete information.

Credit for courses taken at another institution during the summer preceding a student's initial enrollment at Vanderbilt will be granted only **if approval is obtained in advance**. The coursework must be comparable to coursework offered at Vanderbilt. Summer credit at festivals and camps, if offered through

---

## ACADEMIC REGULATIONS

an accredited institution, may be transferable if approval is sought in advance. Transfer credit does not fulfill music core requirements. Other policies regarding transfer credit are found in the *Undergraduate Catalog*.

**Summer work at other schools** must be approved in advance by the appropriate VU Department and the Blair Assoc. Dean. Liberal arts courses and free electives can transfer in; music core courses cannot. Obtain the necessary advance authorization form at: [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics). The signed form, plus the catalog course descriptions of the proposed courses and course syllabi must be filed with the Blair Office of Academic Services by **the first week in April**. Summer courses must be taken at fully accredited 4-year institutions. Summer courses may not fulfill music requirements, count as part of the last 30 hours of residence, serve as repeat credit, or be taken on a pass-fail basis. Students must be in good standing, and those on academic probation may not transfer in credit. Performance instruction is not offered in all areas in the summer; in summer session the lesson and practice times required to earn credit are:

1 credit hour = 45 min. lesson weekly for 10 weeks with 7.5 hours practice weekly

2 credit hours = 60 min. lesson weekly for 10 weeks with 15 hours practice weekly

3 or 4 credit hours = two 45 min. lessons weekly for 10 weeks/25 hours practice weekly

Work transferred to Vanderbilt from another institution will not carry with it a grade point average. Immediately upon completion of the work elsewhere, the student must request from the Registrar of the school concerned a transcript to be mailed directly to the Office of Academic Services, Blair School of Music, 2400 Blakemore Avenue, Nashville, TN 37212.

### TRANSFER STUDENTS

Transfer students will be assigned a level of performance study based on the entrance audition. Credit for music courses may require an examination at Blair, and credit for non-music courses is subject to evaluation by the appropriate department. Transfer students must complete at least half the credit required for the degree, or 63 hours, at Blair. Please see the Undergraduate Catalog for complete information.

### WRITING PORTFOLIO

Students in the second semester of their senior year are required to submit a writing portfolio drawn from academic coursework from one or more classes. Emphasis should be placed on demonstrating an ability to write clearly and effectively and on the student's ability to form connections across two or more disciplines. Specifically, the **portfolio consists of one 8-10 page paper (or two 3-5 page papers) and a one-paragraph narrative** explaining how the submitted work demonstrates the required competencies. While the portfolios *are not graded* for individual students (you can even remove your name from the paper if you wish), they are evaluated by a Blair faculty committee for university assessment and reaccreditation purposes.

## ☐ ACADEMIC STANDARDS

### CLASS STANDING

Sophomore standing requires a minimum of 24 hours with a grade point average of 1.8 on a 4.0 scale. Junior standing requires a minimum of 54 hours with a grade point average of 1.9 and the successful completion of MUTH 2200 and MUSC 2200. Senior standing requires a minimum of 86 hours with a grade point average of 2.0. A student who fails to reach the appropriate class standing after two semesters is placed on academic probation.

### DEAN'S LIST

Students are placed on the Dean's List if they have a minimum grade point average of 3.5 while carrying 12 or more graded hours with no incomplete or missing grades.

### DEFICIENCIES

Many classes will have mid-term exams and/or papers, and time management during the mid-semester period is crucial. Students whose mid-semester average in any course is a C- or below, or whose work is incomplete, will receive a deficiency during the eighth week of classes (usually a week before the Friday deadline for withdrawal). The deficiency is posted on the academic record in YES, but it does not show on a student's official transcript. Families receive notices of failing grades. Students who receive deficiencies must meet immediately with their advisers. Students with two or more deficiencies (and any seniors with deficiencies) must also meet with Dean Melissa Rose before the deadline for withdrawal.

### GRADES

Assessment of student work is handled by the faculty. Policies on grading should be clearly set out on the individual course syllabi and any changes to those policies will normally be distributed in writing. Grades at the Blair School are defined as follows:

A: excellent; B: good; C: satisfactory; D: minimum pass work; F: failure

## **ACADEMIC REGULATIONS AND INFORMATION**

On occasion, a student might be unable to complete a semester's work due to illness or injury. Under some circumstances, the grade "I" for incomplete coursework or "M" for a missed final examination may be authorized if the student obtains both the instructor's permission and the approval of the associate dean. Forms are available on the Blair website and must be filed before the grading period comes to a close. Students who wish to know a final class grade may check on it in YES.

### **GRADE APPEALS**

Grade appeals should arise only rarely; students are responsible for tracking their progress in all of their classes and for becoming familiar with the policies of the course as explained on the syllabus. (Note that Vanderbilt grading policy is not uniform; rather, it is the purview of each instructor and is stated via the course syllabus. All changes to syllabus procedures will normally be distributed in writing.) Students may appeal a grade under limited circumstances:

- There was a mathematical error in calculating the grade
- The grade was based on criteria and standards other than those announced on the syllabus
- The grade was assigned based on factors other than student achievement, e.g., prejudice or discrimination. In such instances, the student may wish to consult with Equal Opportunity, Affirmative Action, and Disability Services (EAD) and may have recourse to the University's grievance procedure if the matter cannot be resolved successfully within the school.

A student who wishes to appeal a grade must first discuss the situation with the instructor, normally within 30 days (as specified in the Vanderbilt Student Handbook, [http://www.vanderbilt.edu/student\\_handbook/Policies\\_and\\_Regulations.htm#8](http://www.vanderbilt.edu/student_handbook/Policies_and_Regulations.htm#8)). Students are encouraged to seek assistance from their faculty advisers, another member of the faculty, or one of the Associate Deans regarding questions of procedure and of school policy before and during this process. If the student is not able to resolve the complaint satisfactorily at the level of the instructor, he or she may appeal the decision within thirty (30) days to the Department Chair (who may consult with the Associate Dean). If the matter is not successfully resolved by the department chair, the student may appeal to the Associate Dean and then to the Dean of the Blair School. As a last resort, the student may appeal to the Provost. Consult the student handbook for more details.

### **PROBATION**

Students are placed on academic probation if they fail to qualify for class standing, if they fail to earn a minimum of 12 credits in a single semester, or if the grade point average (GPA) falls below 1.8 overall or 2.0 in music courses. Notification is made by letter, and copies are sent to parents. Students whose situation places them at risk for future academic probation receive warning letters. Students placed on academic probation more than twice will be dropped from the University.

### **SUDDEN ACADEMIC INSUFFICIENCY**

Any student who fails by a wide margin to reach prescribed levels of academic achievement, either at the end of a semester or at mid-semester is reviewed by the Associate Dean's office in conjunction with the Academic and Studio Adviser(s). If the student is not making satisfactory progress towards the degree, the student may be placed on probation or may be advised or required to take a leave of absence or advised to withdraw from the University. Appeals of such findings should be addressed to the Blair Curriculum Committee.

### **SCHOLARSHIP REQUIREMENTS**

To be considered for renewal each year, students receiving Blair Dean's Honor scholarships must be enrolled in all assigned music courses, qualify for the appropriate class standing, and maintain a minimum GPA of 2.0 overall and 2.7 in music. Students receiving Cornelius Vanderbilt scholarships must maintain a 3.0 overall. Scholarships are not usually revoked at mid-year; a student whose academic performance jeopardizes the future renewal of a scholarship receives a warning letter and a semester of grace. Students receiving scholarship or grant assistance as part of a financial aid package (need-based assistance) must earn the appropriate class standing to qualify for renewal each year; amount of need-based awards may be affected by academic performance or changes in the family financial situation. Merit scholarships are only available for 8 semesters. Consult the Director of Blair Admissions for more details.

## ACADEMIC REGULATIONS

### □ STUDENT RECORDS—(Family Educational Rights and Privacy Act)

Vanderbilt University is subject to the provisions of federal law known as the Family Educational Rights and Privacy Act (also referred to as FERPA). This act affords matriculated students certain rights with respect to their educational records. These rights include:

1. The right to inspect and review their education records within 45 days of the day the university receives a request for access. Students should submit to the University Registrar written requests that identify the record(s) they wish to inspect. The University Registrar will make arrangements for access and notify the student of the time and place where the records may be inspected. If the University Registrar does not maintain the records, the student will be directed to the university official to whom the request should be addressed.
2. The right to request the amendment of any part of their education records that a student believes is inaccurate or misleading. Students who wish to request an amendment to their educational record should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the university decides not to amend the record as requested by the student, the student will be notified of the decision and advised of his or her right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records to third parties, except in situations that FERPA and its regulations allow disclosure without the student's consent. These exceptions include:
  - Disclosure to school officials with legitimate educational interests. A "school official" is a person employed by the university in an administrative, supervisory, academic, research, or support staff position (including university law enforcement personnel and health staff); contractors, consultants, and other outside service providers with whom the university has contracted; a member of the Board of Trust; or a student serving on an official university committee, such as the Honor Council, Student Conduct Council, or a grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
  - Disclosure to parents if the student is a dependent for tax purposes.
  - Disclosure to appropriate individuals (e.g., parents/guardians, spouses, housing staff, health care personnel, police, etc.) where disclosure is in connection with a health or safety emergency and knowledge of such information is necessary to protect the health or safety of the student or other individuals.
  - Disclosure to a parent or legal guardian of a student, information regarding the student's violation of any federal, state, or local law, or of any rule or policy of the institution, governing the use or possession of alcohol or a controlled substance if the university has determined that the student has committed a disciplinary violation with respect to the use or possession and the student is under the age of twenty-one at the time of the disclosure to the parent/guardian.

FERPA provides the university the ability to designate certain student information as "directory information." Directory information may be made available to any person without the student's consent unless the student gives notice as provided for, below. Vanderbilt has designated the following as directory information: the student's name, addresses, telephone number, email address, student ID photos, major field of study, school, classification, participation in officially recognized activities and sports, weights and heights of members of athletic teams, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, and other information that would not generally be considered harmful or an invasion of privacy if disclosed. Any student who does not wish disclosure of directory information should notify the University Registrar in writing. No element of directory information as defined above is released for students who request nondisclosure except as required by statute. The request to withhold directory information will remain in effect as long as the student continues to be enrolled, or until the student files a written request with the University Registrar to discontinue the withholding. To continue nondisclosure of directory information after a student ceases to be enrolled, a written request for continuance must be filed with the University Registrar during the student's last term of attendance.

The request for nondisclosure does not apply to class rosters in online class management applications, or to residential rosters—or rosters of groups a student may join voluntarily—in online, co-curricular engagement applications, or rosters of other information on the websites of student organizations that a student may join.

Neither class rosters in online class management applications, nor residential rosters in online co-curricular engagement applications, are available to the public.

As of January 3, 2012, the U.S. Department of Education's FERPA regulations expand the circumstances under which students' education records and personally identifiable information (PII) contained in such records—including Social Security numbers, grades, or other private information—may be accessed without consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities ("Federal and State Authorities") may allow access to student records and PII without consent to *any* third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is "principally engaged in the provision of education," such as early childhood education and job training, as well as any program that is administered by an education agency or institution.

Second, Federal and State Authorities may allow access to education records and PII without consent, to researchers performing certain types of studies, in certain cases *even when the University objects to or does not request such research*. Federal and State Authorities must obtain certain use-restriction and data security promises from the third parties that they authorize to receive PII, but the Authorities need not maintain direct control over the third parties.

In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without student consent, PII from education records, and may track student participation in education and other programs by linking such PII to other personal information that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

If a student believes the university has failed to comply with FERPA, he or she may file a complaint using the Student Complaint and Grievance Procedure as outlined in the *Student Handbook*. If dissatisfied with the outcome of this procedure, a student may file a written complaint with the Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202-5920.

Questions about the application of the provisions of the Family Educational Rights and Privacy Act should be directed to the University Registrar or to the Office of the General Counsel.

## REGISTRATION POLICIES & PROCEDURES

---

### ADVISER APPROVAL

All students are required to meet with their academic adviser prior to registration. After the student-adviser conference, the adviser will release the advising hold for that student. Although assistance is provided through the advisory system, various publications, and consultations in the academic Dean's offices, each student is responsible for selecting a program of courses that fulfills all degree requirements.

### COURSE LOAD

Undergraduate students must have the approval of the Dean of their college or school to take fewer than 12 hours or more than 18 hours in a semester. Students with a legitimate need to take more than 18 hours should seek approval from the appropriate associate dean as early as possible.

### COURSE CHANGES

Course changes may usually be made beginning in December for spring semester and late July for fall semester. Changes can also be made in YES during the Drop/Add period, which begins the day classes start and runs for one week. Students may drop classes with a change of course request form during the second week of classes. Courses dropped by the end of the second week of classes do not show on a student's official transcript. **Students must finalize chamber music sections in the registration system by the second week of classes. See the academic calendar for complete details.**

### PASS / FAIL

In accordance with stated eligibility rules, upperclass students may request Pass/Fail status in a course during the first week of classes. Some courses are designated as not available for Pass/Fail status. These courses are designated in the schedule. Only free electives are eligible for pass/fail, and no more than one course may be elected in any one semester. For enrollment assistance, contact the Blair Office of Academic Services. For complete information, see the *Undergraduate Catalog*.

### REGISTRATION (*see relevant calendar deadlines*)

Registration is available to entering first year students during the summer; complete details are made available to first year students by the end of May. During June, questions may be directed via email to the Head of Academic Advising, Amy Jarman, at [amy.jarman@vanderbilt.edu](mailto:amy.jarman@vanderbilt.edu) or 615-322-7684.

Returning students register for fall and spring semesters in November and April, on dates specified in the University calendar. Students must schedule meetings with their faculty advisers and should refer to the appropriate sample curriculum plans and to their online degree audits when planning class schedules.

### RESTRICTED COURSES

Some courses are restricted to students who meet specific criteria. These courses are not accessible by the student through YES. Consult the Blair Office of Academic Services if you encounter difficulty in registering.

### WITHDRAWAL PERIOD (DROPPING A CLASS)

Students may drop courses and receive a grade of W (Withdrawn) after the second week of classes until the week after mid-semester, as listed in the University calendar. Course change request forms are available at [blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics) and must be filed with the Blair Office of Academic Services. Signatures of the student, course instructor, adviser, and Associate Dean, in that order, may be required, as indicated on the form. After the withdrawal deadline, students who drop a course will receive a grade of F unless exceptional extenuating circumstances (personal/family crisis or severe and extended illness) suggest that a W grade is appropriate; approval of the Associate Dean is required. During the withdrawal period, students may switch ensembles from zero credit enrollment to for-credit enrollment if room becomes available in their schedule, **but students may not add an ensemble after the 14<sup>th</sup> day of the semester.**

## FINANCIAL INFORMATION

### ☐ EMPLOYMENT

Students interested in employment have many options. Off-campus referrals are made by the Center for Student Professional Development, 220 Student Life Center, ph. 2-2750. On-campus referrals are made by the Financial Aid Office, 2309 West End Ave, ph. 2-3591. The Financial Aid Office issues contracts to students whose financial aid packages include Work/Study. For work at Blair make contacts as indicated:

- Blair office – Accounting Assistant Darlene Bethke
- Instrumental Ensembles – Professor Robin Fountain and Professor Tom Verrier
- Music Library – Director Holling Smith-Borne
- Reeves – Accounting Assistant Darlene Bethke
- Stagehands – Technical Director Joe DeBusk
- Student teaching assistants – Music History and Literature Department Chair, Dr. Greg Barz
- Tutor for Music Theory – Composition Department Chair, Dr. Michael Slayton
- Youth Symphony – Dr. Carol Nies
- Blair Children’s Chorus Program – Professor Tucker Biddlecombe

All paperwork to set up employment at Blair (except the music library) is handled by Ms. Darlene Bethke.

### ☐ FEDERAL FINANCIAL AID REQUIREMENTS

Students who receive financial aid from Federal Title IV funds (NDSL, FSEOG, FWSP, GSL-E, PLUS, FSLs, SSIG, Pell Grant, Perkins, or Stafford Loans) must meet the following requirements:

1. A full-time freshman, sophomore, or junior who fails to qualify for class standing after two semesters will be eligible to receive federal assistance for one additional semester (or summer session) to achieve the appropriate class standing.
2. Students who do not obtain a baccalaureate degree in four years will be eligible to receive federal assistance for one additional academic year if they are in good standing.

Students receiving need-based financial aid (not honor scholarships) must apply for renewal by April 15 each year. Applications are available from the Financial Aid office, 2309 West End Avenue. Students needing assistance with their financial aid concerns may wish to consult the Director of Blair Admissions.

### ☐ LOAN FUND

The L. Howard Nicar Student Emergency Loan Fund is available to Blair music majors. Students can borrow up to \$400 for 30 days at no interest if they have no outstanding balance on their Vanderbilt student accounts. Checks are usually available within 48 hours. A loan not repaid within 30 days is charged to the student account. Accounting Assistant Darlene Bethke can provide assistance with these loans.

### ☐ PERFORMANCE INSTRUCTION FEES

Performance instruction fees (in primary and secondary instruments) do not apply to Bachelor of Music students.

### ☐ SCHOLARSHIP REQUIREMENTS

Students holding honor scholarships are required to participate in the school’s large ensembles every semester, as assigned following auditions. Honor scholarship students may occasionally be expected to perform for a school function in solo or chamber music settings.

### ☐ MUSIC TECHNOLOGY FEE

There is a one-time music technology fee for incoming freshmen, which will be billed directly to the student account. Current fees are listed in the *Undergraduate Catalog*.

### ☐ UNDERGRADUATE PAYMENT POLICY

All students are automatically enrolled for e-bills. You may access the e-bill from your YES landing page. Click on the SM Billing Portal link. For complete information, please see the Student Accounts web site: <http://www.vanderbilt.edu/stuaccts/>. All registered undergraduate students must confirm enrollment for the semester by clearing their student account of all prior and current semester charges associated with the beginning of the semester (tuition, fees, and all other charges).

Registered undergraduate students who do not confirm their enrollment by the deadline may be dropped from courses and their registration may be cancelled. Students anticipating having a problem meeting the payment deadline should contact the Office of Student Accounts to make payment arrangements and to have their course registrations held.

All new and transfer students **must** complete a "Student Account Agreement" form prior to the deadline. Forms are available in the Office of Student Accounts or online at [www.vanderbilt.edu/stuaccts](http://www.vanderbilt.edu/stuaccts).

## BLAIR COURSEWORK

### ENSEMBLES

Students must participate in an ensemble every semester in residence. **Auditions** for the school's large instrumental ensembles (MUSE 1010, including Orchestra and Wind Ensembles) **are required** each semester. For Symphonic Choir and Vanderbilt Chorale, auditions are held at the beginning of each semester. Consult <http://blair.vanderbilt.edu/ensembles>.

**Dress codes** for all large ensembles, choral and instrumental, are:

Men – black tux, white tux shirt with wing collar and ¼ inch pleats, standard sized black bow tie, black studs with gold rims, black socks, black shoes.

Women – conservative ankle length black dress (no slits) with long sleeves, or black skirt (no slits) and black blouse with long sleeves, black hose, closed-toe black shoes; instrumentalists may wear dressy black slacks; **choir students** wear a 'Laurent' dress from Stage Accents (\$80), sized during the second week of classes and ordered for you (see website for details)

Students who face an **overload** due to a second major may ask the Associate Dean for permission to register for zero credit ensemble. Zero credit ensembles count towards the necessary semesters of ensemble experience, but they do not count towards the 80 credits required in music nor towards the 126 credits needed for graduation. Participation in a second ensemble in any semester can count as a music elective or a free elective.

**Chamber Music:** Students with a pre-formed group should complete this form:

<http://blair.vanderbilt.edu/academics/ChamberMusicEnrollmentForm122014.pdf>. Students who need to be placed in a group should register for the appropriate section of MUSE 2210. **Chamber music must** be determined no later than the 14th day of classes for credit to be earned. A student who registers for a chamber music ensemble for zero credit may convert that ensemble to credit-based enrollment if the request comes before the end of the withdrawal period at mid-semester; students must fill out a course enrollment form to drop the zero-credit section and add the for-credit section and must obtain the necessary signatures (student, instructor, adviser, and Associate Dean Melissa Rose).

### MUSICIANSHIP

The musicianship program at Blair is designed to ensure that students systematically develop practicable aural skills including pitch, interval and rhythm recognition, scale and mode identification, chord identification, et cetera. Additionally, students gain insight into how to augment musical communication and expression through the implementation of these skills. Students are required to practice specific focused exercises designed to ensure musical fluency and practical competence. Additionally, students are asked to continuously employ and practice methodologies gleaned from our classes in all musical activities undertaken at Blair/Vanderbilt.

### PERFORMANCE CLASSES

Woodwind, brass, string, percussion, piano, guitar, composition, harp, and voice majors are required to register for and attend Performance Class every semester, regardless of their degree program. The course receives zero credit hours, but is listed on students' transcripts and graded on a Pass-Fail basis. To graduate, students must pass performance class every semester. Students with a mandatory schedule conflict may, with academic and studio adviser approval, be excused from enrolling in Performance Class for one semester. To request a waiver, complete the form ([blair.vanderbilt.edu/academics](http://blair.vanderbilt.edu/academics)), obtain the signatures, and submit this documentation to the Blair Office of Academic Services.

### PERFORMANCE EXAMINATIONS

Performance exams are scheduled by department chairs. Students giving full recitals during the semester may be exempted from performance examinations at the discretion of the instructor. If performance examinations are scheduled on a reading day (the day after classes end, when no course examinations are scheduled), students are also given the choice of a different day for their performance examinations.

### PIANO PROFICIENCY EXAM

A comprehensive proficiency examination is required as part of the final two semesters of keyboard harmony or accelerated keyboard harmony. Students are tested on scales, arpeggios, chord progressions, transposition, harmonizing melodies, modulating, improvising, sight-reading, score reading, and prepared pieces. Students with no piano experience are urged to begin piano study during the summer prior to enrollment in the Blair program, and will be placed in Introductory Keyboard Harmony (MUKH 1130).

## BLAIR COURSEWORK

---

### PRACTICE

Practice expectations should be discussed with the instructor. Students earning credit in performance are usually expected to practice a minimum of 20 hours a week for 4 hours credit, or 10 hours weekly for 2 hours credit, or 5 hours weekly for 1 credit hour. It is wise to have a clear understanding between student and faculty regarding practice.

### RECITAL ATTENDANCE

Each semester in residence, students (except graduating seniors in their penultimate or final semester) are required to register for and attend weekly student recitals/convocations on Fridays at 12:10 p.m. and a minimum of six Blair faculty or professional concerts and recitals or their community equivalents as described on the syllabus. Students must fulfill both aspects of the requirement to pass each semester. The course receives zero credit hours but is graded on a Pass-Fail basis and listed on students' transcripts. Incompletes will not be granted except in the case of documented medical emergency.

Students must swipe their Vanderbilt ID card at every Blair recital. Two absences from Friday afternoon recitals are permitted each semester; late arrivals are considered an absence. Under extraordinary circumstances, make-up assignments can be obtained from the Recital Attendance Coordinator with the permission of the Associate Dean. Students must plan and keep up with their concert attendance. Except for weekly student recitals, performances in which students are participants do not fulfill the attendance requirement for the performer. Deadline for completion of all work is listed on the course syllabus. The first failure would result in the loss of the senior final semester exemption. Additional failure(s) would require students to enroll for additional semester(s) until the seven required semesters are passed.

The student and private instructor decide when a student performs on a student recital. Recital requests must be submitted via e-mail to the recital attendance coordinator. Deadline is the Friday before a requested date, but planning ahead is encouraged; after mid-semester, recitals may fill well in advance. All student recitals are recorded, and recordings are available in the library. Recordings can be purchased through the Technical Director, Joe DeBusk.

### UPPER DIVISIONAL HEARINGS AND JUNIOR MID-PROGRAM REVIEWS

Performance majors must pass an upper divisional hearing in the sophomore year. A faculty committee adjudicates a program of 20-30 minutes selected with the advice and counsel of the instructor and memorized as appropriate, to consider continuance in the performance degree program. Specific requirements are found in the *Undergraduate Catalog* under "Performance Instruction: B.Mus. Degree."

**Junior Mid-Program Reviews** take place in the Musical Arts/Teacher Education program. Prior to review, students in that program will be expected to have completed successfully (C- or better) two education courses (EDUC 1220 and SPED 1210), two courses for the liberal arts core, and their freshman level Blair coursework. Further details are found in the *Undergraduate Catalog*.

## BLAIR POLICIES AND PROCEDURES

---

### COLLABORATIVE PIANISTS

Student and staff collaborative pianists are available. Students should always consult their private teacher before making arrangements for pianists. Instrumentalists may, with their studio instructor's permission, work with student pianists; the piano faculty can make recommendations based on the chosen repertoire. Because the student pianist earns credit through the collaborative class, there is no charge, and the performers participate in regular coaching sessions in addition to their regular studio work. Instrumental students receive a specific number of hours with a staff collaborative pianist each semester for juries, recitals, and performance classes; additional hours will be billed to the student. A list of collaborative pianists is distributed to faculty and students each year. Voice majors are assigned to a faculty coach. The rules of common courtesy apply to missed lessons or rehearsal times. If either person knows that he/she cannot be present at a rehearsal or lesson, that person should notify the other as far in advance as possible. Students should be prompt in paying pianists and should expect to be billed by the pianist for failure to provide timely notification of canceled rehearsals, lessons, or performances.

## BLAIR POLICIES AND PROCEDURES

### BULLETIN BOARDS

Programs for concerts and recitals are posted on the board in the hallway adjacent to the atrium, near the faculty lounge, and on an easel outside Turner Recital Hall. Bulletin Boards in the Blair Student lounge are also used for postings of student interest. To post something on a board, see Director of External Relations, Kristin Whittlesey.

### EXIT INTERVIEWS

All students leaving Blair, including graduating seniors and students transferring elsewhere, are invited to have an exit interview with Associate Dean Melissa Rose. Exit interviews typically cover both what went well at Blair (and at Vanderbilt) and what could be improved. Recommendations from these interviews are compiled anonymously and circulated to individual departments and faculty as appropriate.

### EXTRACURRICULAR PERFORMANCE, INCLUDING PROFESSIONAL PERFORMANCES

Students need the consent of their instructor to participate in extracurricular performance activities, including collaboration that is not part of the degree requirements. Permission forms must be obtained from and filed with the Concert Manager who maintains a referral service (gig list) for the community.

### INSTRUMENT LOANS

Blair-owned instruments are loaned only to Blair faculty. Faculty can check out instruments through the Accounting Assistant, Darlene Bethke, with notification *in advance*. A signed loan agreement will remain on file with the Accounting Assistant until the instrument itself is returned. Faculty may issue instruments to students, but it is the faculty member's responsibility to ensure the whereabouts of the instrument while students are in possession of the instrument. It is also the faculty member's responsibility to obtain suitable storage space for the instrument(s) issued to them.

### LOCKERS

Lockers are located in the practice areas on each floor. Locker assignments are made by the Blair Main Office. Students with large instruments are given preference for large lockers. All lockers are provided with keys. Lockers are assigned to B.Mus. students during summer; requests from second majors will be considered during the first week of class; requests from MA5 students in their fifth year will be considered after the conclusion of the drop-add period. Lockers must be cleaned out before graduation; anything remaining in the lockers will be discarded.

### PARKING

Parking is difficult at Vanderbilt, and freshmen may not purchase parking permits or park on campus. Any cars parked on campus must have a Vanderbilt permit and must park in their designated zone. Students may not park in the lots on either side of the Blair building without a Zone 3 permit. Other spaces, marked for Blair parking only, are reserved specifically for young pre-college students.

### PERFORMANCE VENUES AND RECITAL BOOKING

Reservations for the Choral Hall and for Turner Recital Hall are handled through the EMS system (link through the Blair website), with the permission of your instructor. Requests are overseen by the Blair Scheduling Coordinator, Christine Claffey.

**Complete information about booking a recital, including a recital handbook, is online at: <http://blair.vanderbilt.edu/academics/student-bookings.php>.**

The Blair School also has arrangements with the W.O. Smith School which allow access to the 200-seat recital hall for warm-up concerts; contact Associate Dean Pam Schneller (343-5614) and Jonah Rabinowitz, Executive Director, at [info@wosmith.org](mailto:info@wosmith.org) or by phone at (615) 255-8355.

To perform in any of the above performance venues, a student must pass a recital hearing at least three weeks prior to the concert; see the *Undergraduate Catalog*, "Pre-Recital Hearing" for details.

---

## **BLAIR POLICIES AND PROCEDURES**

---

### **PRACTICE ROOMS**

Practice room reservations may be made during the sign-up period at the beginning of the semester. Students may reserve three hours per day or 20 hours per week. Practice reservation schedules will be posted on practice room doors. If a reserved room is not claimed within 10 minutes, the reservation is void and use is first-come, first-served.

In addition to those at Blair, practice facilities are also located in certain residence halls (residence hall pianos, not ideal for piano majors, work well for voice students and theory, musicianship, and keyboard harmony practice).

### **RECITAL RECEPTIONS**

The designated reception area for events in Turner Hall or Choral Hall will be assigned by the scheduling coordinator. In consideration of others, please do not use the area directly in front of Turner Hall unless you have been assigned to that space. Otherwise, receptions are held in the seating area near the elevator.

Any student or faculty hosting a reception must comply with the Vanderbilt Undergraduate Alcohol Policy. In summary, students under the age of 21 may not purchase, possess, or consume alcoholic beverages. **No alcohol may be served at any student recital reception.**

### **RECORDINGS**

Video media of weekly student recitals are held in the music library for viewing.

**Personal recording projects:** The scheduling coordinator, Christine Claffey, can arrange with the technical department for an engineer for personal recording projects on a for-fee basis, but students need to arrange for a time on the Turner Recital Hall or Choral Hall calendar through EMS (link through the Blair website) following normal procedures.

### **VANDERBILT POLICIES**

Blair students are bound by all VU policies and regulations. Students should review in particular the contents of the Student Handbook ([http://www.vanderbilt.edu/student\\_handbook/index.html](http://www.vanderbilt.edu/student_handbook/index.html)), including the sections on the *Honor System and Student Accountability* and *Technology and Literary and Artistic Works*. Students are expected to comply with The Computing Privileges and Responsibilities Acceptable Use Policy. Students should also become familiar with the Community Creed (<http://www.vanderbilt.edu/deanofstudents/creed.html>).

The Blair School and the University as a whole are committed to equal opportunity and affirmative action. The formal statement of policy, as found in the Undergraduate Catalog, follows:

#### **NONDISCRIMINATION STATEMENT**

In compliance with federal law, including the provisions of Title IX of the Education Amendments of 1972, Sections 503 and 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990, Vanderbilt University does not discriminate on the basis of race, sex, religion, color, national or ethnic origin, age, disability, or military service in its administration of educational policies, programs, or activities; its admissions policies; scholarship and loan programs; athletic or other University-administered programs; or employment. In addition, the University does not discriminate on the basis of sexual orientation consistent with University non-discrimination policy. Inquiries or complaints should be directed to the Opportunity Development Officer, Baker Building, VU Station B #351809, Nashville, Tennessee 37235-1809. Telephone (615) 322-4705 (V/TDD); fax (615) 343-4969.

While the Equal Opportunity, Affirmative Action, and Disability Services is the unit formally charged with oversight for such matters, students with questions or concerns are also welcome to contact any member of the Blair administration for assistance.

### CONCERT SERIES

Concerts at Blair are listed in the printed calendar and on the Blair web site. Most Blair concerts are free and have open seating, so early arrival is recommended. For special Blair-sponsored ticketed events, students may obtain tickets at the Blair front desk or at the box office. Note that Blair does not provide complimentary tickets to any non-Blair events.

### ESCORT

The office of Police and Security provides a nighttime escort service for students either walking or in the Vandy Van. Please see [www.vandyvans.com](http://www.vandyvans.com). A walking escort may be called at 615-421-8888.

### FOOD AT BLAIR

Sandwiches, salads, bagels, muffins, drinks and other breakfast and lunch items are available at the school. Suzie's Café is located in the 3<sup>rd</sup> floor student lounge (room 3123) and accepts the Vanderbilt meal plan. Vending machines are available on the 2<sup>nd</sup> floor; most machines accept the Commodore card. Food and drinks should not be taken into practice rooms or rehearsal halls. A microwave and refrigerator are also available in the student lounge.

### GIG LIST

The Concert Manager keeps a list of students approved by their studio teachers for recommendation to the community for receptions, weddings, parties, etc. The Concert Manager makes referrals, but arrangements regarding music and fees are the student's responsibility.

### VANS

Students, faculty and staff who wish to check out the Blair van must see Darlene Bethke at least one week prior to use. Students will need to complete Vanderbilt's VandySafe program by viewing a 30-minute video and passing the online test. Keys to the van must be checked out and returned by the same individual. Van use is limited to Blair activities such as moving equipment or transporting students for Blair ensembles.

## WELLNESS

---

Maintaining one's health is important for all musicians. Be careful to monitor your joint health, nutrition, anxiety or stress, and make good choices about time management, socializing, and use of substances. Preventive care is a good defense against overuse syndromes, which often occur among music students and can adversely affect performance.

Should you need help, comprehensive medical services are available to Blair School students through the **Vanderbilt Student Health Center, the Center for Student Wellbeing, and the Psychological and Counseling Center**. Ill students should ask for a card documenting their visit to the Health Center or request that a fax (for extended illnesses only) be sent to Associate Dean Melissa Rose at 322-7913. Students facing an extended absence from classes should contact Associate Dean Rose for advice.

The **Student Health Center** ([medschool.vanderbilt.edu/student-health/](http://medschool.vanderbilt.edu/student-health/)) provides quality primary healthcare services in a nurturing and cost-effective manner. Its physicians and nurse practitioners not only help students who are sick or injured, but also those who are managing a chronic health problem or are working to develop a healthier lifestyle. Call 322-2427 for an appointment, or walk in for a first available appointment. Also available through the Center is access to physicians interested in performing arts medicine and the unique problems of musicians, access to orthopedic consultation and physical/occupational therapy, and nutrition information.

The **Center for Student Wellbeing**, located across from the Student Health Center, helps students to cultivate lifelong wellbeing practices. Student Wellbeing Coordinators and an Academic Skills Coach offer individual coaching appointments to help students develop and maintain skills that will contribute to personal and academic success. Students may utilize the meditation room for yoga, meditation, and mindfulness classes, or for self-guided practice. Workshops are also available on a variety of topics, including resiliency, time management, alcohol and other drug education, and healthy living. Vanderbilt Recovery Support (VRS) is a program of the center. Students who are actively working a recovery program (i.e., from a substance use disorder or eating disorder), are invited to attend a recovery meeting or to utilize the VRS lounge for studying and community-building. Individual coaching, mentorship meetings, and recovery housing, which provides a substance-free environment with accountability

measures, are also available for students working on recovery. The Center's meditation room, VRS lounge, and workshop room are available by card access 24/7. Students may walk-in or call the Center at 615.322.0480 to schedule an appointment Mon.–Fri. 8 a.m.–5 p.m.

The **Psychological and Counseling Center** ([medschool.vanderbilt.edu/pcc](https://medschool.vanderbilt.edu/pcc)) offers Vanderbilt students individual and group psychotherapy and psychiatric services. Call 322-2571 for an appointment, or walk in for a same day triage evaluation. Located at 2015 Terrace Place (across the street from the Baker Building).

#### STUDENT HEALTH INSURANCE

Vanderbilt University requires all eligible students to be covered by a health insurance plan that is comparable to or exceeds the Student Injury and Sickness Insurance Plan. Complete information is on the Student Health Center website: [medschool.vanderbilt.edu/student\\_health/student-health-insurance](https://medschool.vanderbilt.edu/student_health/student-health-insurance). The link to the student health insurance provider is: [www.gallagherstudent.com/vanderbilt](http://www.gallagherstudent.com/vanderbilt).

#### BLAIR MUSICIANS' WELLNESS CLASSES (MWEL)

Blair courses in Alexander Technique, Meditation, and Tai Chi for Musicians (available for 1 credit of free electives) provide an opportunity to learn ways to avoid harm. The student recreation center ([www.vanderbilt.edu/studentrec](http://www.vanderbilt.edu/studentrec)) offers fitness/nutrition assessments, massage, personal training, and group classes in aerobics and yoga.

#### HEARING PROTECTION

The Musicians' Hearing Center of the Vanderbilt Bill Wilkerson Center is an evidence-based clinic committed to offering professional personal hearing healthcare services, promoting public awareness of the potential damage to our hearing as a result of continued exposure to loud sounds, and to providing custom products to audio and music communities in and around Middle Tennessee. Call 322-4327 to schedule an appointment. The main office at Blair has **disposable earplugs available at no charge**. Earplugs are also available at most pharmacies. In addition, the Hearing Center offers custom products, made individually for each user. These can be purchased only from a licensed audiologist.

#### THE VOICE CENTER

The Voice Center is part of the Vanderbilt Bill Wilkerson Center. It offers services including singing voice intervention, speaking voice therapy, and speech assessment. Students seeking evaluation at the Voice Center (343-7464) need a referral from Student Health if they have Gallagher Student Insurance. The initial Voice Center visit involves a thorough and expensive evaluation; prior consultation regarding insurance coverage is encouraged.

#### MASSAGE THERAPY

Massage therapy can be associated with decreased pain and an enhanced healing of common muscular ailments and lowered levels of stress, anxiety or depression. There are many qualified massage therapists in the Middle Tennessee area, including the Recreation and Wellness Center on campus. Vanderbilt Center for Integrative Health offers therapy for an hourly fee. The Center combines traditional medicine with complementary therapies that are proven, safe and effective. It serves in a complementary role for the primary care physician. For more information, please call 343-1554.

#### ALLERGIES

Newcomers to the Middle Tennessee area often find that the fall and spring seasons may cause previously undiscovered allergies. Students needing an allergist must first get a referral from Student Health for the ASAP (Asthma, Sinus and Allergy) Clinic at Vanderbilt.

#### SEXUAL MISCONDUCT POLICIES

The Blair School of Music desires to establish and maintain a safe and healthy environment. Students who believe they have been the subject of a violation of University policy pertaining to matters of sexual harassment, discrimination, or retaliation should contact the EAD. Complete information about sexual misconduct policies of Vanderbilt University can be found in the Vanderbilt Student Handbook: [http://www.vanderbilt.edu/student\\_handbook/sexual-misconduct-and-other-forms-of-power-based-personal-violence/](http://www.vanderbilt.edu/student_handbook/sexual-misconduct-and-other-forms-of-power-based-personal-violence/).

### **STUDENT ORGANIZATIONS**

#### **BLAIR COUNCIL**

The Blair Council represents Blair students in the Vanderbilt Student Government (VSG) and to the faculty and administration. It serves to unify Blair students and create a link with the other students and schools of the University. It strives to promote social interaction among students as well as between students, faculty, and administrators. Membership in the Council includes four officers, a representative from each class (freshman, sophomore, junior, and senior), and a faculty adviser. Elections are held in the spring (with the exception of freshman representative) and are governed by procedures established by the Vanderbilt Student Government (VSG.). Term of office is one year, beginning in mid-spring.

#### **GREEK ACTIVITIES (RUSH)**

Sorority and fraternity rush are of interest to some, but academic work is always first priority. Students must not miss classes, rehearsals, or other academic requirements for Greek events. Greek Open Houses and rush activities can be adjusted. Panhellenic Council is aware of potential problems and endorses exceptions for Blair students when needed. Any problems or concerns about schedule conflicts with sorority or fraternity activities can be discussed with the Director of Greek Life, Kristin Torrey ([greeklife@vanderbilt.edu](mailto:greeklife@vanderbilt.edu)).

#### **NAfME**

The National Association for Music Education is the professional organization for music educators. Collegiate members of NAfME have many opportunities to network with full-time music educators, attend workshops and clinics, and participate in activities that prepare students for careers in music education. Music Education students are strongly encouraged to join. Students have found that the networking opportunities available to them as members can play a significant role in getting job interviews, landing jobs, and succeeding in their careers as music educators after graduation. Contact Amy Alley, faculty adviser, for more information.

#### **MTNA/TMTA (Music Teachers National Association/Tennessee Music Teachers Association)**

If you are preparing for a successful career as a professional music teacher at any level, MTNA collegiate chapters serve as your connection to the larger established community of long-time music professionals across the country. MTNA/TMTA's goal is to be the foundation of educational, musical, social and professional experience for music students/teachers throughout their course of formal study, and to help open doors through professional opportunities and career options in the field of music after graduation.
